

An aerial photograph of a coastal town and harbor. The town is built on a peninsula with various buildings and a dock. A large body of water, likely a fjord, surrounds the town. In the foreground, a white boat is docked on the left, and another white boat with a blue hull is moving away from the viewer in the center. To the right, there are several large, cylindrical industrial tanks. The background features a range of rugged, brown mountains under a clear blue sky.
